A Visit to the Zoo

Yesterday, Timmy went to the zoo with his family. They saw all sorts of animals—roaring lions, playful monkeys, and even a big, sleepy bear. Timmy's favorite was the colorful parrots. He watched them talk and squawk.

Suddenly, one of the parrots said, "Hello there, Timmy!" Timmy was amazed and said, "Hello, Mr. Parrot! Can you say my name again?" The parrot repeated, "Hello, Timmy!"

Timmy laughed and said, "You're a funny parrot!" The parrot flapped its wings happily. Timmy waved goodbye to the parrots and left the zoo with a big smile on his face, feeling like he had made a new friend. (104 words)
